Bag ban is coming

The Pacifica Beach Coalition in conjunction with Sanchez Art Center will be sponsoring a Tote Bag Give-away and Decorating Station at this year's Earth Day Festival. With the plastic bag ban going into effect in Pacifica on April 22 we thought it was a good idea to promote the use of reusable bags.

Why not share the abundance of bags some of us have with people in need of them? How many bags do you have stuffed into corners and crevices under the sink or in the closet? Bring them, clean of course, to Pacifica's Parks, Beaches and Recreation drop-off box at the Community Center until April 18th or to the Earth Day Festival on April 20th and drop them off at the Sanchez Art Center booth. They will help you decorate these bags and give them away free for anyone who wants them. What a great way to kick off Pacifica's latest environmental achievement.

Come decorate and get your new tote bags and tell all your friends and neighbors about this wonderful way to celebrate Earth Day and the plastic bag ban through advocacy and community action.
